

JOURNEYS

A five week **VIDEO** voyage of discovery
designed for people who are **SPECTATORS**
looking in on the **CHRISTIAN FAITH**

REAL PEOPLE | AMAZING STORIES | CHANGED LIVES

What does Journeys cover?

- Week 1** Is there a spiritual side to me?
- Week 2** If God and Heaven exist, what are they like?
- Week 3** Does this faith thing work in real life?
- Week 4** Does God have real power to change things?
- Week 5** Crossing the line – what's that like?

A typical week would involve a time of fellowship with coffee etc., the video (30 mins), and then time for small group discussion of about 30 minutes.

Journeys is not confrontational but seeks to present the Christian faith as real, relevant and significant in our search for the truth about life and death.

Week 5 does provide an opportunity for people to 'make a decision' although it also allows people the opportunity to explore further (perhaps through an Alpha course or similar) and maintain relationships with the people they have met through the five weeks.

The Leaders Guide and a 30 minute 'pre-course' training video will assist leaders to get the best out of the course.

Journeys Kit contains 2 Videos, 1 Leaders Guide and 5 Participants Guides. Additional Participants Guides and Leaders Guides can be purchased as needed.

“*Rob Harley is one of the most captivating communicators I've ever heard. Live, on television or radio, Rob's presentations are both substantial and riveting. All of us can and should learn from him whenever we get the opportunity.*

Bill Hybels, Senior Pastor, Willow Creek Community Church

I can't commend this resource more highly! Rob Harley is an outstanding communicator and has brought together an excellent tool for ordinary Christians to engage friends/family in a journey toward faith. Great for one-to-one, small groups, or larger context. A big hit in NZ!

Brian Winslade, National Leader, Baptist Churches of NZ

Journeys is a vital and effective tool for Christians wanting to reach this generation.

Rev. Tim Costello, Collins Street Baptist Church

Journeys is hosted by international journalist Rob Harley, producer of the TV series 'Extreme Close Up' - which told inspiring stories of faith and courage in the lives of ordinary people. Rob takes participants on video journeys ranging from an encounter with the afterlife by a New Zealand surfer in the Indian Ocean, to "Ground Zero" in New York, and into the lives of people whose experiences will astound.
